MAINTENANCE KIT

We recommend you clean your wetroom drain thoroughly at least every 6-8 weeks to improve longevity. The maintenance kit comes with everything you need to look after your wet room.

Kit includes

- The hook allows you to lift the grate without causing any damage.
- The strainer helps keep the drain clear and is easy to wipe clean.
- WM Cleanser removes lime scale and grease.
- WM Polish treats chrome, stainless steel, tiles and sanitary ware to give a perfect finish.
- WM Grout Sealer should be regularly used to seal grout lines so they cannot absorb water.
- One cloth for cleaning the drain, sanitary ware and tiles.
- One cloth for streak free glass.

Do not use cleaning agents with a high concentration of fluorine, chlorine or hydrogen peroxide.
